CONTRACT

This Contract MUST BE SIGNED before the order can be processed. Please carefully read the Contract below in its entirety before signing.

Signers of contract are financially responsible for payment of cookbooks.

TERMS & CONDITIONS: Cookbook Publishers, hereinafter referred to as the Company, agrees to print personalized cookbooks to the specifications listed on the Cookbook Order Form. The purchaser, hereinafter referred to as the Customer, agrees to furnish all recipes and other items of specific and personalized nature to be published in the Customer's book. Upon receipt of this Cookbook Order Form and receipt of recipes, this contract is in effect and binding. If Customer cancels, they will be responsible for any costs incurred by the Company for production time and/or materials invested in the order.

PRODUCTION: The Company assumes responsibility for scheduling and production of the cookbooks. The normal production time is 30 to 40 working days, but the Company reserves the right to adjust production schedules due to heavy seasonal demands, shortages, strikes, floods, or any other reasonable cause whatsoever.

SHIPPING: The Company will ship by the most economical and dependable method – usually UPS or truck line. The Company will prepay the freight,* then add the charges to the Customer's invoice. The Customer will receive free cookbooks which, when sold, will help defray normal shipping charges within the continental United States. All additional shipping charges incurred for foreign shipments or for Customer-requested rapid deliveries will be billed to the customer, but will not be covered by the free cookbooks. For orders requiring USPS delivery, freight will be paid before books ship. The Company assumes responsibility for packing of the cookbooks. The Customer shall inspect the delivered cookbooks for damage, and verify the number of boxes delivered. Damaged or missing cookbooks must be reported to the Company within 10 days. Under no circumstances are books to be returned to the Company without prior written approval from the Company. Defective books not attributable to shipping damage must be reported to the Company within 60 days after shipment of books. The Company reserves the right to credit, replace, or repair defective books.

OVERRUN/UNDERRUN: Following standard Printing Trade Customs, all orders will be subject to a 10% overrun/underrun factor, so you may not receive the exact number of cookbooks ordered. However, you will only be billed for those cookbooks actually received, minus your FREE cookbooks.

CORRECTIONS: The Company reserves the right to use its judgment on design of artwork and cookbook cover if no definite instructions are provided. Errors found in the Customer's books shall be corrected at the Customer's request on the subsequent printing. Any errors found to be the fault of the Company will be corrected free of charge. Any errors found to be the fault of the Customer whether due to material submitted inadequately by the Customer or due to inadequate final proofing by the Customer will be subject to a correction charge. The Company will hold the Customer's original copy for a period of three (3) months, and will return Customer's copy after this period only if requested by the customer.

PAYMENT: Qualified organizations receive the following terms: one-half of the balance due 30 days after shipment, and the remaining balance due 60 days after shipment. Accounts may be paid in full at any time before invoice due dates. **Businesses, Individuals, and Families must pay one-half of the estimated cost of the order at the time the order is placed, with the balance plus shipping due before the cookbooks are shipped.** Delinquent accounts (those over 90 days) will be subject to 1½% per month interest charges (18% per annum). If collection agency and/or attorney fees are required to collect overdue accounts, the Customer is liable for all collection charges. All orders must be paid in U.S. currency, or by Visa, MasterCard, or Discover credit cards.

COPYRIGHTS & TRADEMARKS: The Customer warrants that releases have been obtained to reproduce any and all copyrighted materials submitted for reproduction. The Customer takes all responsibility for any copyright or trademark infringement regarding use of images or other artwork.

INDEMNIFICATION: The Customer shall indemnify and hold harmless the Company, and its authorized representatives, from any and all loss, cost, expense, and damages on account of any and all claims, demands, actions, and proceedings that may be instituted against the Company on grounds alleging that the said manufacture, use, marketing, or sale of the cookbook violates any copyright, trademark or proprietary right of any person or business. The Customer agrees to, at Customer's own expense, promptly defend and continue the defense of any such claim, demand, action or proceeding that may be brought against the Company.
